GPT offices get f2 news

Inlink Media has signed a deal with the listed property trust, GPT, to install digital screens in lifts within the trust's \$2.5billion office portfolio including MLC Centre, Australia Square and HSBC Centre in Sydney, Melbourne Central and 530 Collins Street in Melbourne, and the Riverside Centre in Brisbane. The screens will deliver advertising and news provided by f2, the internet arm of John Fairfax Holdings. The deal was negotiated by Jones Lang LaSalle. Tina Perinotto
